TECHNOLOGY ACCEPTANCE QUESTIONNAIRE

Dear Respondent,

We are students from the College of Computer Studies at Laguna State Polytechnic University, currently pursuing a Bachelor of Science in Information Technology (BSIT). As part of our academic requirements, we are conducting a research study entitled **“Centralized Computer Laboratory Network Management System for College of Computer Studies.”** In line with this, we respectfully request permission to access relevant documents and data that will support the development and evaluation of the proposed system. We also seek approval to conduct interviews or surveys within your office to better understand the existing processes and challenges in service delivery, particularly in enhancing the efficiency and accuracy of patient referrals among healthcare facilities.

We assure you that all information gathered will be handled with strict confidentiality and will be used solely for academic purposes. Your support and cooperation will greatly contribute to the successful completion of our research and the improvement of service delivery.

Thank you for your time and cooperation

Respectfully yours,

Gallano, John Christoper T.
Researcher

Oracion, John Eric E.

RESPONDENT'S DATA

Direction: Please fill the required information in the space provided and mark (✓) the appropriate check boxes according to your level of computer literacy.

Name (optional) : _____ **Date :** _____

Gender : _____

Level of Computer Literacy:

- ☐ Level 1– Basic computer literacy, including typing, organizing files, and using the internet.
- ☐ Level 2 – Working knowledge of computers, including data entry, file management.
- ☐ Level 3– Proficient in utilizing specialized software and resolving technical issues efficiently.

Republic of the Philippines
Laguna State Polytechnic University
Province of Laguna

Directions: Please read each statement carefully and indicate your level of agreement by placing a checkmark (✓) in the box that best represents your opinion.

Please rate the following statements using the scale:

1 = Strongly Disagree (SD)

2 = Disagree (D)

3 = Neutral (N)

4 = Agree (A)

5 = Strongly Agree (SA)

QUALITY FACTORS		5	4	3	2	1
1	The system provides accurate monitoring of laboratory activities.					
2	The system operates reliably without frequent errors.					
3	The system ensures data security and confidentiality.					
PERCEIVED EASE OF USE		5	4	3	2	1
1	The system interface is easy to understand.					
2	Navigation within the system is simple and clear.					
3	The dashboard layout is user-friendly.					
PERCEIVED USEFULNESS		5	4	3	2	1
1	The system improves laboratory management efficiency.					
2	The system enhances accountability among students.					
3	The system helps maintain discipline during laboratory sessions.					

Republic of the Philippines
Laguna State Polytechnic University
Province of Laguna

USER EXPERIENCE		5	4	3	2	1
1	Using the system provides a smooth experience.					
2	The system responds quickly to commands.					
3	I feel comfortable using the system during laboratory sessions.					
ATTITUDE TOWARDS USING		5	4	3	2	1
1	I have a positive attitude toward using this system.					
2	Using this system is a good idea for CCS laboratories.					
3	I support the implementation of this system in the department.					
BEHAVIORAL INTENTION OF USE		5	4	3	2	1
1	I intend to use this system regularly.					
2	I would recommend this system to other CCS users.					
3	I plan to continue using this system in future laboratory sessions.
